A Message from ONEDREAM INDUSTRIES

Dear Valued Customers, Partners, and Associates,

It gives us immense pleasure to present our product catalogue, showcasing the diverse range of quality products offered by **Onedream Industries**.

Since 2000, our commitment has been driven by a simple philosophy — delivering reliable products, maintaining consistent quality, and building long-term relationships based on trust. Over the years, we have grown into a trusted manufacturer serving customers across various industries through our flagship brand, **Bhattercol®**.

Our product portfolio includes industrial adhesives, wood adhesives, wet lamination adhesives, side pasting adhesives, book binding adhesives, PVC insulation tapes, stationery products, and customized industrial solutions. Every product is developed with a focus on performance, consistency, and customer satisfaction.

At **Onedream Industries**, we continuously invest in manufacturing excellence, quality control, and innovation to meet the evolving needs of our customers. We believe that our success is built on the confidence and support of our dealers, distributors, business partners, and customers who have trusted us throughout our journey.

As we move forward, we remain committed to delivering products that meet the highest standards of quality and reliability while creating value for every customer we serve.

We sincerely thank you for your trust and support and look forward to building a stronger future together.

Quality You Can Trust. Always.

Warm Regards,
